Profile

As a Computer Science and Engineering student, I am deeply passionate about technological innovation and collaboration.My programming skills and problem-solving abilities shine in team environments where I can develop creative and impactful solutions.

Education

Bachelor of Technology in Computer Science and Engineering (2023-2027)

Velagapudi Ramakrishna Siddhartha Engineering College, Vijayawada,AP   CGPA: 8.31

Secondary Higher Education (2021-2023)

New Vision Junior College, Khammam   Percentage: 94.6%

10th Standard (2021)

New Vision School, Khammam   Percentage: 100%

Internships

UiPath Academy - Automation Explorer Training

Gained expertise in identifying and prioritizing automation opportunities, enabling me to design and propose automation solutions to drive business efficiency and process improvements.

Skills

Technical Skills:
- Programming Languages: C, Python, Java
- Web Development: HTML , CSS

Soft Skills:
- Communication: Clearly and effectively convey ideas.
- Team Collaboration: Work well with others to achieve a common goal.
- Quick Learner: Can quickly grasp new concepts and skills.

Projects

Java Project - Packers and Movers (10/2024 - Present)

Developed a relocation service application, ensuring safe transportation of goods for household, office, and industrial moves.

Workshops

Hands-on Workshop on Hack-a-Bot Automation
Organized by College, Vijayawada.
Developed a deep understanding of automation technologies through hands-on experience. Built an automation bot using UiPath tools, enhancing proficiency in robotic process automation.

Volunteer Experience

AI Autonomous Hackathon
24-hour hackathon conducted by V.R.S.E.C College.I dedicated my time as an academic support volunteer at the hackathon.

Extracurricular Activities

National Service Scheme (NSS)
Actively participated in various social service activities and awareness drives.

Certifications

- Programming Essentials in Python - Cisco
- Programming Essentials in C - Cisco
- Programming Essentials in Cybersecurity - Cisco
- Foundations of R Software - NPTEL

Hobbies and Interests

- Listening to Music
- Drawing
- Learning New Things
- Travelling

Languages

- English: Professional Proficiency
- Telugu: Native Proficiency

Declaration

I affirm that the information provided above is accurate and truthful to the best of my knowledge and belief.
